

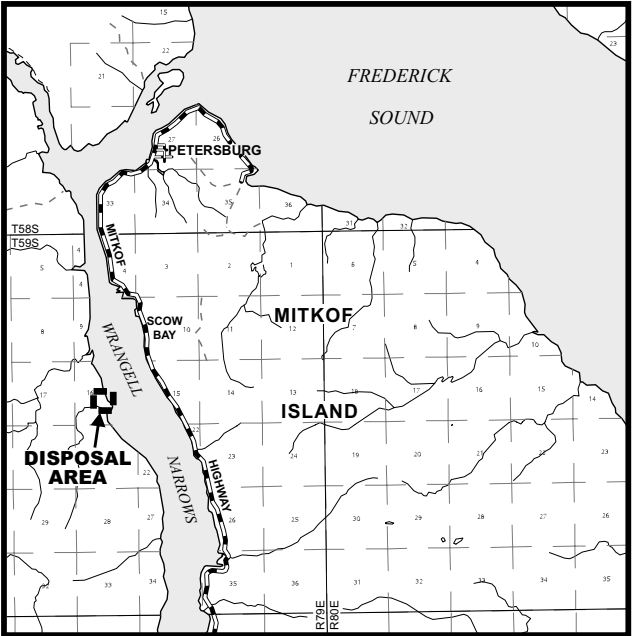

# Map 6 - Petersburg / Kupreanof ASLS 79-182

LOCATION	The Kupreanof parcel is located 3 miles southwest of Petersburg on Kupreanof Island along the Wrangell Narrows
TOPO MAP	USGS Quad Petersburg D-3
ACCESS	Water access from Petersburg or other nearby communities, by boat or floatplane, is the only practical access available to this lot. Facilities at Petersburg include small boat harbors, docks, and the State ferry terminal. Petersburg is a regional transportation hub with commercial jet service and numerous air taxi services to surrounding communities. Purchasers will be required to obtain permits from the Corps of Engineers to construct private docks, fills, breakwaters, boat ramps, and similar access improvements. Some of these improvements may also require DNR authorization.
TOPOGRAPHY	The topography of this parcel is gently sloping upward from the beach.
SOILS	Soils are composed of silty-organic materials that vary from moderately-drained forested soils to muskeg on the western portion of the parcel.
VEGETATION	The area is vegetated with hemlock, spruce, pine, and cedar with dense undergrowth and scattered areas of poorly-drained muskeg.
WATER FRONT	Yes
VIEW	Potentially excellent views of surrounding mountain and narrows.
CLIMATE	The area lies in the maritime climate zone noted for its warm winters, cool summers, and heavy precipitation. Summer temperatures range from 45 to 64 degrees; winter temperatures range from 22 to 37 degrees. Annual precipitation averages 106 inches, including 97 inches of snow.
WATER SOURCE	No water or sewer facilities are available in the area. Water for domestic use may be obtained by the collection of surface water from the small streams in the area or by roof-catchment systems.
WATER/SEWAGE DISPOSAL	A non-water carried sewage disposal system such as sealed-vault privy, humus, or incendiary toilet may be used on these lots. Any other type of sewage disposal system must be approved by ADEC prior to installation. No individual water supply system or sewage disposal system shall be permitted on any lot unless such system is located, constructed, and equipped in accordance with the requirements of ADEC.
UTILITIES	None
RESTRICTIONS	Subject to platted easements and reservations of record, see ASLS 79-182. This subdivision contains wetlands. Purchasers will need to obtain permits from the U.S. Army Corps of Engineers before placing any dredged or fill material in wetlands (for example, to build a driveway, or any other land clearing activity requiring land leveling).
MUNICIPAL AUTHORITY	None
HOMEOWNER'S ASSOC.	None

# Veterans' Land Discount

Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veterans' Land Discount may only be used once in an applicant's lifetime.

## ► Veterans' Discount Qualifications

To be eligible, you must submit proof, acceptable to the department, that you:

1. Are 18 years of age or older at the date of sale;
2. **Have been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Have served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened due to a service-connected disability or due to receiving an early separation after a tour of duty overseas (use Form DD 214); and
4. Have received an honorable discharge or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form DD 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active

duty, must be submitted. You are encouraged to request your Form DD 214 well in advance of the auction.

The Veterans' Land Discount may be applied only to acquisition of surface rights to the land. **It may not be applied to survey and platting costs, or other costs reimbursable to the state.** These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table below.

If you qualify for the Veterans' Land Discount you must apply for the discount at the time of the award notification. The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another person, both purchasers must be eligible bidders. If both are also eligible veterans, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

Below is an example of how a Veterans' Land Discount is calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

### Veterans' Discount Calculation

Per Acre Reimbursable Cost	\$	959.00	
"X" Parcel Size (Acres)		x 3.349	
Total Reimbursable Cost	\$	3,211.69	
Bid Price	\$	14,000.00	\$ 14,000.00
Less the Reimbursable Cost	\$	- 3,211.69	
Amount eligible for discount	\$	10,788.31	
25% Veterans' Discount Rate		x 0.25	
Veterans' Discount	\$	2,697.08	\$ - 2,697.08
Discounted Purchase Price (Bid Price Less Discount)			\$ 11,302.92
Less 5% bid deposit of the full Purchase price ( <b>do not submit a bid deposit based upon the discounted purchase price</b> )			\$ - 700.00
Balance Due			\$ 10,602.92
